The Home Of Youth Football - Naples, Florida - Welcomes Back the Football University National Championship Tournament This December

- Press conference scheduled for 10:00 a.m. at the Naples Bay Resort.
- Youth football’s biggest event continues to grow, and the FBU National Championship tournament will conclude in Naples, Florida, for the fourth consecutive year.
- *All American Games* and the *Naples, Marco Island, Everglades CVB* continue to grow opportunities to bring visitors from all over the U.S. to beautiful Collier County.

NAPLES, FLA. (22 September 2017) – Together, *All American Games* and the *Naples, Marco Island, Everglades Convention & Visitors Bureau* will host a joint press conference at the Naples Bay Resort on September 27 to announce the Football University National Championship will conclude in Naples, Florida, for a fourth consecutive year.

The FBU National Championship tournament has been held in Naples, Florida since 2014. In that short time, the Florida’s Paradise Coast region of Naples, Marco Island and the Everglades has earned the right to be called the home of youth football as the host of pinnacle matchups and the site of championship crownings in the one true national youth football tournament. It’s a crown jewel for Naples and the entire Collier County region.

“We are getting a lot of questions about the after effects of Hurricane Irma,” said Jack Wert, Director, Naples, Marco Island and Everglades CVB. “We are a tough bunch down here and we are open for business. We are inviting all our visitors and all our football fans who make the pilgrimage to Florida’s Paradise Coast annually for the National Championship to watch the most gifted youth football players in the nation battle it out on the gridiron. We are in the game and ready for action.”

More than 3,500 athletes from 32 areas of the country will compete on the “Path To Naples” this year.

“There’s no better opportunity in all of youth football”, said Doug Berman, Chairman of *All American Games*. “It’s a once-in-a-lifetime opportunity at a one-of-a-kind place -- the beautiful Paradise Coast in Naples, Florida. All-star athletes from across the country -- Boston to Seattle, Maryland to Kansas City, Texas to Minnesota and everywhere in-between -- they all want to be on the path to Naples in December.”
