CODE OF CONDUCT

We are committed to providing a safe atmosphere for our student-athletes and families that are attending the FBU National Championship. Below you'll find the protocols for the event that all attendees must adhere to.

FBU NATIONAL CHAMPIONSHIP

THE PATH TO NAPLES

FOOTBALL UNIVERSITY NATIONAL CHAMPIONSHIP

Code of Conduct Policy

It is of paramount importance that all members of the FBU National Championship family demonstrate the highest standards of ethics, sportsmanship, respect for being a guest in your hotel and adhere to our core values. Those values include trustworthiness, integrity, responsibility, accountability, and fairness.

All FBU National Championship participants - coaches, players, and parents/guardians - must abide by all applicable game, competition, and house rules -- without exception. All players, coaches, game officials, and administrators must be treated with mutual respect. Profanity or obscene gestures will not be tolerated at any time. Offensive remarks of a sexual or racial nature, trash-talking, taunting, boastful celebrations or other actions that demean individuals or the sport are not allowed. Players should demonstrate concern for others and never engage in reckless behavior that might injure themselves or cause injury to opponents. Our coaches are role models and must set an example -- in particular, complaining about decisions or arguing with game officials during or after the game is strictly prohibited. It is a privilege to be involved with this event. Adherence to these rules is a requirement of being a member of the FBU National Championship family and participating in this tournament.

If FBU leadership notices or receives a complaint about an individual's behavior, or a team's behavior, then it will be considered a violation of the FBU Code of Conduct subject to the appropriate penalties. Violations of the FBU Code of Conduct may result in the suspension or termination of the participation privilege -- as an individual, or in extreme instances, as a team, and all such decisions are at the sole discretion of FBU.
